www.youtube.com/kumarmate

Kumar is originally from Havana, Cuba. He starts his career in 1998 writing and singing his own Hip Hop and advancing into producing Rap.

In July of 2004 along with Telmary Dias and back up from the Ovalibre band he records **“No se vuleve atrás”**. The song is included in the soundtrack of the movie **“Habana Blues”** by director Benito Zambrano . The soundtrack for the movie wins a Goya award for the best soundtrack of that year. Kumar also participates in the project with a secondary actor on the film.

In October of 2004 he is nominated for the **“Premios Lucas”** (Cuban video clip festival) with his song **“Ves”**. It features Telmary and it received 3 nominations.

In April of 2005 he collaborates with the Spanish group Ojos de Brujo and records the song **“Rompe Cadenas”**. The song features Roberto Carcasses (piano) and Yusa (base) and is recorded in the Abdala studios.
